**Need it
delivered?**

**Our single-axle dump trucks can
deliver anywhere from Parksville
south to Ladysmith**

These trucks haul up to 6 yards of mulch
or 5 yards of sand/gravel/soil per trip.

Do you need a LOT of bulk materials?

Ask about our tandem-axle dump truck
and reduced rates on **LARGE** loads.

Prices and delivery rates are listed on
the back of this page.

How much do you need? First, measure the length, width, and depth of the
area you wish to cover. Next, convert all measurements to feet (ie: 3"=0.25').
Finally, follow the 3 steps to your right or just phone in your measurements
and we will do the rest!

STEP 1 **length x width x depth = ft³**

STEP 2 **ft³ ÷ 27 = cubic yards needed**

STEP 3 **Place your order!**

Notes on Large Volume Rates & Deliveries					
* Large volume pricing applies when Sharecost delivers our product using a tandem-axle dump truck					
* Minimum orders apply (see table to the right for details)					
* We cannot specify an exact weight for tonnage deliveries; actual loads will vary slightly from estimate					
* Actual maximum volume depends on weight of product					
* 1.2 tonnes ~ 1 yard					
* The tandem truck is usually not available on weekends					
* The trailer requires a LARGE jobsite; many sites will not have enough room, so please inquire to ensure your site meets our clearance requirements					
* Hourly rates begin when leaving Sharecost and end when we return to Sharecost
